No. 533 / 2930 Office of the Muzrai Commissioner in Mysore.

Dated Bangalore, 24th December 1930.

From

C. S. P. Rajagopalachari, Esq., B.A., B.L.,

Muzrai Commissioner in Mysore,

Bangalore.

To

The Secretary to the Government of His
Highness the Maharaja of Mysore,
Financial Department.

Sir,

I have with reference to correspondence ending with your letter No.408 dated 20th August 1930 re repairs to the less important jewels of the Sri Narayanaswami temple at Melkote, I have the honor to forward herewith copy of letter No.H.345/29 dated 1st December 1930 from the Deputy Commissioner, Mysore District, --- stating that no jewels were got repaired by devotees since the passing of Government Order No.1362-3/Muz.226-27-2 dated 14th -- February 1928 and opining that the best arrangement for devotees wishing to get the jewels repaired would be to pay the cost of such repairs either to the temple Peshkar or the Taluk Amildar who will get the repairs done under his supervision and that the idea of giving the jewels to the devotees for repairs under the supervision of the Peshkar and one or two Dharmadarsis will -- complicate matters.

2. I agree with the Deputy Commissioner in the views ----- expressed by him. I am not quite convinced of the practicability of the arrangement now in force. I beg accordingly to recommend that the Deputy Commissioner's revised proposals may be accepted.

3. The file of vernacular papers is enclosed for reference and kind return.

I have the honor to be,
Sir,
Your most obedient servant,

R. Narasimha Ayyangar.
for Muzrai Commissioner.

Letter No.M.345/29 dated 1st December 1930 from the Deputy Commissioner, Mysore District to the Huzrai Commissioner in Mysore.

Subject:- Repairs, less important jewels, Melkote temple.

With reference to G.O.No.1362-3/Huz.226-27-2 dated 14-2-28 regarding the repairs to the less important jewels of the Melkote temple, and your letter No.553 of 29-30 dated 1/4-10-1929 enquiring as to how the arrangement has worked, I have the honor to state that the Sub Division Officer, French Rocks, reports that no jewels were got repaired by devotees so far; that if any of the devotees should express the willingness to get any jewel repaired at his cost, the best arrangement would be for such devotees to pay the cost of such repairs either to the temple Peshkar or the taluk Amildar who will get the repairs done under his supervision.

2. I agree with the Sub Division Officer. The idea of giving the jewels to the donors or to other devotees for purposes of repairs under the supervision of the Peshkar and one or two Dharmadarsis may complicate matter.

3. The report of the Sub Division Officer is enclosed.
